By signing this contract, the undersigned represents and warrants that they are duly authorized to execute this Exhibit Space Contract on behalf of the company named above and that the company agrees to comply with the FutureBuild Asia 2026 Exhibit Space Rules & Regulations.

FutureBuild Asia 2026 — Exhibit Space Rules & Regulations

1. CONTRACT FOR SPACE

The exhibit space contract properly executed by the Applicant (Exhibitor) is subject to formal notice of acceptance by FutureBuild Asia 2026, organized by Worldex G.E.C. Worldex G.E.C. reserves the right to reject any application or relocate exhibit space without assigning cause. Exhibitor shall not assign, sublet, share, or apportion any part of the contracted space without prior written consent.

The Exhibitor assumes all costs of additional services or equipment required for their exhibit. The Exhibitor's signature signifies full acceptance of these Rules and Regulations.

2. PAYMENT FOR SPACE

Exhibit space must be reserved with full payment or a 30% non-refundable deposit in USD. The remaining 70% must be paid by the deadline specified by Worldex G.E.C. After the deadline, full payment is required to reserve space.

A late fee may be applied to any past-due balance. All outstanding balances owed to Worldex G.E.C. for any previous transactions must be settled before access to the show floor is granted.

NOTE: Payments made via wire transfer may require additional bank fees.

3. CANCELLATION CHARGES

If an Exhibitor cancels booth space, the following charges apply:

Cancellation

- Cancellation on or before 29 February 2026: 25% of booth rate
- Cancellation between 1 March – 30 June 2026: 50% of booth rate
- Cancellation between 1 July – 10 August 2026: 75% of booth rate
- Cancellation after 10 August 2026: 100% of booth rate

4. LIABILITY

The Exhibitor agrees that Worldex G.E.C. shall not be liable for any damage or loss to exhibit materials during shipping, handling, installation, show days, or removal. Exhibitor agrees to indemnify and hold harmless Worldex G.E.C. from all claims, liabilities, litigation expenses, attorney fees, and damages arising from Exhibitor activities, personnel, products, or property.

5. INSURANCE

Exhibitor must secure adequate insurance coverage for all exhibit materials, equipment, and liabilities during the event period, including move-in and move-out. Worldex G.E.C. may designate a third party to collect proof of insurance. Failure to provide valid insurance by the published deadline may result in denial of access to the exhibition hall.

6. COMPLIANCE

The Exhibitor is responsible for complying with all local, state, and national regulations regarding fire safety, construction laws, and public health standards, as well as BITEC policies. Exhibitors must adhere to the guidelines provided in the Exhibitor Manual.

7. PENALTIES

Worldex G.E.C. may impose penalties for violations of these Rules and Regulations. Penalties may include:

- Immediate removal from the show floor
- Loss of priority points for future editions
- Exclusion from future events organized by Worldex G.E.C.

8. FORCE MAJEURE

Worldex G.E.C. reserves the right to change the event venue, postpone, or cancel the event in case of unforeseen circumstances including but not limited to strikes, fire, war, government orders, natural disasters, pandemics, or transportation disruptions. Refunds, if any, will be at the sole discretion of Worldex G.E.C., and only after an official written declaration of cancellation.

9. BOOTH REGULATIONS

Exhibitors are responsible for ensuring their booth complies with all construction, height, and safety specifications as detailed in the Exhibitor Manual. Non-compliant booths may be modified or removed at the Exhibitor's expense.

Company: _____ Booth No. _____

Contact Person: _____ Tel. _____

1. Advanced Construction Technologies & Smart Building Solutions

- Modular construction
- Robotics & automation
- Digital construction / BIM / Digital Twin
- Smart tools & platforms
- Other: _____

2. Sustainable Building Materials & BCG

- Eco-certified materials
- High-performance insulation
- Smart glazing / façade systems
- Water-saving solutions
- Other: _____

3. Energy-Efficient Systems & Smart Building Services

- Smart HVAC
- Building automation / BEMS
- Lighting systems
- Security systems
- Other: _____

4. Renewable Energy & Energy Storage

- Solar energy systems
- Battery storage systems
- Distributed energy solutions
- Other: _____

5. Construction Materials, Equipment & Systems

- Windows / doors / facades
- Interior & exterior materials
- Flooring / wall systems
- Insulation solutions
- Other: _____

6. Data Center, Infrastructure & Smart City Development

- Smart city technologies
- IoT & digital infrastructure
- Urban planning services
- Public transport systems
- Other: _____

7. Waste Management, Environment & Circular Economy Solutions

- Recycling technologies
- Waste-to-energy systems
- Environmental monitoring
- Other: _____

8. Net-Zero Engineering, Decarbonization & Carbon Management

- Carbon footprint analysis
- Carbon reduction technologies
- Carbon credit platforms
- Other: _____

9. AI, Robotics, Digital Engineering & Construction Tech

- Project management software
- Predictive maintenance AI
- Digital twins
- Cybersecurity
- Other: _____

10. Professional & Financial Services

- Investors / financial institutions
- PPP advisory firms
- Legal / insurance / risk management providers
- Certification & ESG advisory
- Other: _____

Your Visitor Profile by Job Function

Design, Engineering & Planning

- Architects
- Interior Designers
- Civil / Mechanical / Electrical Engineers
- System Integrators
